

## What to Bring to the Infant Room

*Please make sure all items are labeled*

Standard size Backpack

Bottle bag for children primarily using bottles

Lunch box w/ice pack for children eating table food

Provide a pack & play crib sheet and a blanket (12 months & older)

Sleep Sack (younger than 12 months)

Diapers

Wipes

Diaper Cream

3-4 Bottles (no glass bottles please) (in a bottle bag)

Formula or Breast Milk (please bring formula in a formula wheel daily) \*no cans of formula

Baby Food/Cereal (please bring cereal pre measured in a reusable container)

2 -4 Changes of weather appropriate clothes

3-4 bibs

Pacifier (2 if used) labeled \*Please no Wubbanub – No pacifier clips

Hat (during warmer weather)

## A FEW TIPS

We request that parents who use powdered base formula provide bottles filled with water already measured with a stopper included. Should you choose to use powder formula we request that you bring in a pre-filled wheel daily. Parents may also bring in pre-made formula or breast milk which must be labeled with your child's first and last name and the current date.

Any baby food brought in a container from home must be labeled as to what it is, the current date, and your child's first and last name. **No glass containers or bottles please.**

### Formula Wheel

### Bottle Bag

### Acceptable Sleep Sack

### Not Acceptable

**No Merlin Sleep Suits / Swaddle or weighted suits**
